

General Terms and Conditions (GTC)

Scope of application

These General Terms and Conditions (GTC) apply to all orders and deliveries in the online store for gym products (hereinafter referred to as "Shop"). Deviating conditions of the customer are only recognized if this was expressly agreed in writing.

Conclusion of contract

A contract is concluded when the customer places an order in the Shop. After placing the order, the customer will receive an e-mail confirming receipt of the order. However, a contract of sale is only concluded when we confirm the customer's order by sending an order confirmation by e-mail or when we start delivering the ordered goods.

Prices and terms of payment

The prices in the store are in CHF and include the statutory value added tax. Shipping costs are not included in the purchase price and will be charged additionally to the customer. The purchase price is due immediately after conclusion of the contract.

Delivery and shipping

Delivery is made to the delivery address specified by the customer. The delivery time is usually 4 weeks of production period and a few more business days after. If there are delays in delivery, the customer will be informed immediately. The delivery is carried out by a shipping service provider commissioned by us. The risk of accidental loss and accidental deterioration of the goods shall pass to the customer upon handover to the customer or a person authorized to receive the goods.

Warranty and liability

The statutory warranty rights apply. The customer must check the goods for completeness and defects upon receipt and notify us immediately of any defects. We are not liable for any damage, regardless of how it came about.

Data protection

We process personal data of the customer within the scope of the legal regulations. Further information on data protection is contained in our privacy policy, which is available on our website.

Final provisions

Should any provision of these GTC be invalid, the remaining provisions shall remain unaffected. The law of Switzerland shall apply. The place of jurisdiction is our registered office, insofar as the customer is a merchant within the meaning of the Swiss Commercial Code or a legal entity under public law.
